

**A CHARGE HAS
BEEN GIVEN**

**The Instructions of
scripture have always
been independent of
the times and seasons
we are living in**

This points to the fact that obedience is required in all circumstances that we find ourselves in.

1. Instructions to be given.

2. Teaching to be received

**3. Listening to be
done.**

**It is good to OBEY
and to HONOR**

AN EXAMPLE TO FOLLOW

**An example speaks
louder than precept.
(John Wesley in His
Book, “Sermon on the
Mount”)**

**Godliness is not
acquired by genetic
predisposition but
exemplified or
demonstrated.**

**Your example must
speak louder than
your instruction.**

**You may not fully
control your teens'
exposure, but you can
influence their guiding
principles**

A PROMISE TO PARTAKE

**Obedience is
pleasing to God.**

**Obedience makes us
fruitful in our
knowledge of God
as His family.**
